Dear Parents,

March is going to be a busy and fun-filled month in our classroom. We are celebrating Dr. Seuss's birthday with plenty of silly rhyming books, St. Patrick's Day, and Spring.

Besides celebrating several holidays, your child will be learning the letters U, V, W and X. We continue to delve deeper into understanding the sounds and formation of the letters of the alphabet, as well as identifying them within our names. Your child will begin placing their names in the right order with games and crafts. While learning the color green, please encourage your child to practice their color identification at home.

March 22<sup>nd</sup> is our assessment day. We will not have class on this day, but we will be putting out a sign up sheet to schedule your child to come in to be individually assessed by the teachers in preparation for conferences in April. I will be using the words "learning games" with your child, since I believe in creating an open and safe space for the kids to feel comfortable. We will be sending out more information soon.

Have a lovely month!

Ms. Kelly & Ms. Lindsey
