

March 2019

Dear Parents,

Time to say goodbye to snow, ice and cold cloudy days! During the month of March we will begin to see signs of spring, even if we have to look very hard for them! Focusing on the change of season is exciting for the children.

The children will be reading a book and doing oral book reports beginning on **Monday, March 4th**. Each day one child will select a book from the classroom library to take home and read with parents. The next day they will share the highlights of the book with their classmates. When it is your child's turn to give his / her report a note will be sent home with the book.

Our class celebrations in March include Dr. Seuss's birthday and the amusing traditions of St. Patrick's Day. On **Wednesday, March 13th** we will prepare a Green Eggs and Ham lunch. We will even attempt to catch an elusive leprechaun who plays tricks during secret visits to our classroom!

On Friday, March 22nd there is no school. We will be evaluating your student's skills in preparation for the parent-teacher conferences in April. The evaluation takes about 25 to 30 minutes. We meet with each student individually so ask that you please drop-off your child in our classroom. A sign-up sheet will be posted so you can choose a convenient meeting time.

During March we will also work with the children to help them learn their home addresses and phone numbers. If you would practice with them at home occasionally that would be great!

Please welcome the Rezende family to our class! Paulo, who started at Faith this week and has made new friends quickly!

What a pleasure it is to see the happy faces of your children each day! They are a kind group of eager young learners! Thank you for all you do to make their experience with us positive and fun!

Mrs. G and Mrs. Hague
