24	25	26 Make a cherry blossom tree Snack-Isaac	27	28 Lion/Lamb craft Snack-Shin	29	30/31

Dear Parent's,

March is going to be a very busy and fun month for us. We will be celebrating St. Patrick's Day and begin our spring unit! We will be creating spring art projects and will discuss the spring season and all the changes that occur.

We will continue to work on our primary colors and basic shapes. Please continue to work on colors and shapes with your children at home. The more they practice, the more familiar they become. We would like all the children to know primary colors, basic shapes, and to count to 10 by the end of the school year.

Thank you again for sharing your children with us. It is such a joy to watch them grow!

Ms. Janet & Ms. Carol
